TRIBUTE TO BILL HARRISON

HON. LYNN A. WESTMORELAND

OF GEORGIA

IN THE HOUSE OF REPRESENTATIVES

Tuesday, October 6, 2009

Mr. WESTMORELAND. Madam Speaker, I rise today to pay tribute to Bill Harrison, the recently retired president of the Coweta County Development Authority, who died September 29 after a battle with cancer.

I had the great privilege of knowing Bill personally. He was a professional, a dedicated husband and father, an avid outdoorsman, and an all-around great guy.

He put his heart and soul into bringing new businesses and opportunities to Coweta County, and that's how he and I became acquainted. He would take business recruits under his wing like a mother hen. He would often bring them into my district office personally, assuring they had a friendly, familiar face in the room and that they got all of their needs met and all of their questions answered. He also saw to it that nothing got lost in translation between us Georgians and our international business partners.

As the Newnan Times-Herald reported upon his death, "Harrison assisted with locations or expansions of numerous companies, including PetSmart, SYGMA Networking, Kingwasong, Winpak Films, D&H Distribution, and MC Pre-cast. He considered the planned location of the Cancer Treatment Centers of America to Coweta County the highlight of his professional career."

It's fitting that his crowning achievement will be a center to fight the ravages of cancer, the disease that took him from us much too soon. The cancer treatment center will bring at least 500 new jobs and hundreds of millions of dollars in economic impact for Coweta County.

When Bill retired this summer, the Times-Herald editorialized: "Bill Harrison is a good guy. If he were in an old western movie, he would be wearing a white hat. . . . When Harrison took the economic development job in Coweta, our community's industry-recruiting effort was a mess. It was fragmented. There was no single go-to person or organization. It had gotten so bad that prospects would simply look elsewhere. That changed after Harrison was hired to preside over the Development Authority and that group became the go-to agency here."

Bill was more than a fierce advocate for the community; he was also a beloved figure. On a web site set up for his family, more than 2,000 people expressed their condolences.

All of Coweta County mourns the loss of our dear friend Bill Harrison. Our thoughts and prayers are with his wife of 43 years, Virginia Heitzman Harrison, and their family.

HONORING SOUTH PADRE ISLAND
CHIEF OF POLICE ROBERT
RODRIGUEZ ON HIS RETIREMENT

HON. SOLOMON P. ORTIZ

OF TEXAS

IN THE HOUSE OF REPRESENTATIVES

Tuesday, October 6, 2009

Mr. ORTIZ. Madam Speaker, I rise today to recognize the service and dedication of Police Chief Robert Rodriguez for his service and commitment to the Town of South Padre Island, where he worked for 25 years, and retired from the police force on September 1, 2009.

Chief Rodriguez has been instrumental in working during the years with the many law enforcement agencies in the Rio Grande Valley as each of the town's police officers, including him, strove to serve and protect South Texans and guests who visit South Padre Island year-round.

During the past few years, Chief Rodriguez, along with those that call South Texas home, has seen South Padre Island grow. We have seen new development come in, new businesses open, and hotels and condominiums constructed.

Through these significant changes, we know South Padre Island continues to evolve even after suffering from great loss in revenues and services brought about by Hurricane Dolly. South Padre Island continues to accommodate, protect, and serve its many residents and tourists.

Chief Rodriguez has been able to adjust his staff and manpower to the growing needs of South Padre Island. On any given day, you can spot Chief Rodriguez, while on or off duty, visiting with locals and residents. He works around the clock.

In 1984, he began his work for the Town of South Padre Island as a dispatcher, and later was promoted to the police force. From then on, Chief Rodriguez has climbed the ranks within the South Padre Island Police Department and on August 18, 2000, he was sworn in as police chief.

Chief Rodriguez has been instrumental in his work with South Padre Island, and although I am sad to see him leave, I know he is ready to enjoy his much needed retirement with his family, friends and loved ones.

Madam Speaker, I ask my colleagues to please join me in commemorating the service of Chief Robert Rodriguez, who served the Town of South Padre Island, the State of Texas, and the United States of America, in his capacity of law enforcement officer for 25 years.

Throughout the years I have had the privilege of working with Jim to advance the needs of Collier County and the Southwest Florida Community. He has been committed to the people of Collier County for almost a decade even continuing his service after being diagnosed with brain cancer. Through this most difficult battle of his life Jim has shown grace and dignity. He has dedicated his life to his country and to the people of Southwest Florida and truly embodies the spirit of public service. THE RETIREMENT OF PAUL
COWEN AS CHIEF OF STAFF TO

JR.

HON. SOLOMON P. ORTIZ

IN THE HOUSE OF REPRESENTATIVES

Tuesday, October 6, 2009

Mr. ORTIZ. Madam Speaker, I rise today to recognize the dedication of Paul Cowen, who is retiring after 20 years as Chief of Staff to State Sen. Eddie Lucio, Jr.

Paul has worked day in and day out with our office on policy that has greatly impacted South Texas. His vision, perseverance and commitment to helping the less fortunate is remarkable.

ACCEPTANCE OF STATUE OF
HELEN KELLER PRESENTED BY
THE PEOPLE OF ALABAMA

SPEECH OF

HON. EDDIE BERNICE JOHNSON

OF TEXAS

IN THE HOUSE OF REPRESENTATIVES

Wednesday, September 30, 2009

Ms. EDDIE BERNICE JOHNSON of Texas. Mr. Speaker, I rise today in support of the Congressional Tribute commending the dedication of the statue of Helen Keller.

The life of Helen Keller is one that we continue to praise because of her tenacious spirit. Having her sight and hearing stolen by illness as an infant in rural Alabama did not stop her from accomplishing incredible feats. Ms. Keller is not only a champion for the blind and deaf in the United States, but also worldwide. Her miraculous breakthrough came at a simple well-pump, learning the spelling of the word "water" as it ran over her hand. From this moment, she went on to graduate from Radcliffe College, author several books and be awarded the Presidential Medal of Freedom.

As a Representative, as a woman, and as a nurse, I can appreciate the societal and medical challenges Ms. Keller overcame to become the triumphant figure that she is. Young women have a great role model in Helen Keller. She has also inspired medical professionals and humanitarians across the globe to fight preventable blindness and malnutrition.

It is with great respect for this American hero that I urge my colleagues to join me in supporting the Congressional Tribute commending the dedication of the statue of Helen Keller.
